MESSAGE FROM THE BOARD CHAIR

Serving as Board Chair of United Way of Greater St. Joseph has been a meaningful reminder of what can happen when a community comes together with heart and purpose.

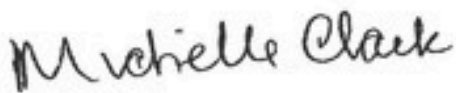

United Way continues to focus on both urgent needs and long-term solutions by investing thoughtfully in financial stability, education and health. The intentional way donor dollars are stewarded and partnerships are built gives me great confidence in the impact being made across our community.

This year, I was especially inspired by the way our community came together when many families were impacted by the temporary suspension of SNAP benefits. In response, neighbors stepped up to help neighbors, packing 6,604 Meal Kits to ensure families had access to food during a time of uncertainty.

Beyond Meal Kits, our Caring Connection Crew met a wide range of needs across our community. More than 700 volunteers, 360 of them new to United Way, helped pack Fresh Start Kits, Hygiene Kits and Outdoor Fun Kits, offering support, dignity and encouragement to individuals and families facing challenges. Behind every kit is a person who felt seen and supported, and that is what this work is truly about.

What makes United Way special is its people: our volunteers, donors, Partner Agencies, board members and dedicated staff. Your generosity, compassion and willingness to step up are the driving forces behind the work we do, strengthening our community every day. Together, you turn care into action and challenges into hope, and I am deeply grateful for the opportunity to serve alongside you.

Thank you for believing in this work and in one another. Together, we are building a stronger, more connected community and helping our neighbors move forward.

HOW UNITED WAY WORKS

You are invited to be part of United Way of Greater St. Joseph. You can give, advocate and volunteer to improve lives in our community.

Traditionally, United Way has been known for harnessing the caring power of community through giving, advocating and volunteering and is most well-known for the annual United Way Campaign that takes place each fall. Through the Campaign, hundreds of businesses and thousands of individuals make pledges to improve lives through the caring power of community.

The majority of dollars raised through the annual Campaign are allocated to the network of United Way Partner Agencies to help sustain their current programs and services. More than 170 volunteers are involved in deciding how those donor dollars are allocated.

A portion of each year's Campaign contributions is held in a grant-making fund called the United Way Community Investment Fund. Through this grant opportunity, area non-profits that meet United Way's criteria in financial accountability, program delivery and outcomes are eligible to apply for grants to meet community or agency needs.

Giving to and through United Way continues to be one of the most impactful, effective and efficient ways for individuals and businesses to improve lives in our community. When the lives of our friends and neighbors are improved, we all are made better and our community made stronger.

A single gift to United Way does not impact a single agency nor a single program - it impacts several agencies, hundreds of programs and thousands of individuals. Additionally, supporters and community members can rest assured that strong volunteer involvement and oversight ensure those receiving funding from United Way are:

- **being held accountable for the dollars they receive from United Way.**
- **working together to reduce duplication of efforts and increase efficiency.**
- **considering new approaches to address the needs of our community.**
- **collaborating to meet unmet community needs.**

YOUR CONTRIBUTIONS TO THE ANNUAL UNITED WAY CAMPAIGN HELP STRENGTHEN OUR ENTIRE COMMUNITY - ONE NEIGHBOR AT A TIME.

Because of donors like you...

Nearly **300 children and their families** utilized early care and education programs.

564 senior adults received 90,195 nutritious meals.

414 households received assistance with rent, mortgage, utilities or transportation.

4,460 youth participated in out-of-school time activities and programs.

More than **6,000 adults and children** accessed mental health services.

166 adults with disabilities found jobs through supported employment.

150 children with disabilities or special needs and their families received services.

329 adults and children experiencing homelessness and **366 survivors of domestic or sexual violence** found safe shelter and connection to supportive services.

7,312 food orders were provided to families.

*All of this, and so much more, was possible through United Way Partner Agencies and programs, **because you gave.***

Together, We Give Hope.

UNITED WAY INITIATIVES AND PROGRAMS

United Way Initiatives and Programs have been developed in response to community needs. Each is created and sustained through partnership with other organizations and volunteers. The role of United Way varies and may include convener, facilitator, backbone support, program provider or other role as determined by the needs of the community and capacity within United Way to assist. On the following few pages, you will find summaries and highlights from 2025 for some Initiatives and Programs.

Leadership St. Joseph

Building the skills of individuals to be effective leaders in the community since 1982.

United Way Leadership St. Joseph is an annual, year-long leadership development program for adults living or working in the St. Joseph area. The program helps create a network of trained individuals willing to engage in leadership and community service with enhanced knowledge of our community's opportunities, realities and challenges.

In 2025, the program graduated 28 community members who join the ranks of more than 1,000 program graduates since 1982.

During the year, participants worked in groups to identify community needs and develop projects aligned with Imagine St. Joseph 2040. Projects included: Hygiene Hub, addressing hygiene insecurity and restoring dignity for vulnerable families; Goals in Motion, a goal-setting guide to support youth ages 15-22 in the transition to adulthood; Bridge the Gap, connecting high school students with volunteer opportunities to foster civic engagement; and a child identification car seat tag initiative, improving community safety through increased awareness and collaboration with local partners.

The 2025 Distinguished Leader Award was presented posthumously to Carole Dunn, a 2002 United Way Leadership St. Joseph graduate. The Distinguished Leader Award is presented each year to an individual who exemplifies leadership through dedicated service to the Greater St. Joseph community.

Profit in Education[®]

Improving the education level of the potential and current workforce since 1989.

United Way Profit In Education works to increase the high school graduation rate and collaborate with and support education efforts across the community.

In 2025, United Way Reading Adventure was held at four school-age child care sites during the summer, at nine elementary schools during the spring semester and at six elementary schools during the fall semester, reaching more than 900 children. The goal of United Way Reading Adventure is to help elementary-age students maintain and improve their reading skills and help build their home libraries through new and donated books.

United Way Speakers' Bureau linked volunteers from different industries with classrooms, career days and events to help students learn about various careers and employer expectations. More than 100 local professionals shared with more than 2,500 students across 22 schools and sites about their careers in business, skilled trades, STEM, arts/communication, public safety, social services and healthcare. United Way Speakers' Bureau partners with Mid-Buchanan R-V School District, Savannah R-III School District, St. Joseph School District, multiple agencies, dozens of businesses and more than 100 volunteers to impact the lives of thousands of students.

Housing Stability

Since 2018, United Way Housing Stability has provided financial assistance to qualifying households with goals of maintaining stability, preventing or resolving homelessness. Housing Stability is designed to complement other existing resources, fill gaps where other assistance does not exist and be a one-time assistance to aid a household in a path toward maintaining stability without further need for assistance.

In 2025, 139 client cases were approved for assistance totaling more than \$140,000, with most requests being for rent, deposit or transportation to relocate and live with family or a friend.

PACE (Partners & Agencies Collaborating & Educating)

United Way PACE is a learning series designed for agencies and their staff. The goals of the series are to help increase capacity, aid staff as they are working with clients and improve collaboration. Staff from more than 37 agencies participated in PACE sessions in 2025 and sessions focused on a variety of topics, including: Resources 101; Legal Aid Services and Housing/Landlord Tips; Crime Prevention through Environmental Design; Establishing and Maintaining Professional Boundaries with Clients; Banking on Safety – Tools & Tips to Protect Client Finances; and Best Practices and Resources for Serving Survivors of Domestic Violence.

Success By 6[®]

Preparing children to be successful learners when they begin kindergarten since 1999.

United Way Success By 6 works to prepare all children to be successful learners when they begin kindergarten. The initiative works through community-wide collaborations to support parents, child care providers and others to facilitate the development of children ages birth to six.

In 2025, support was provided to early care and education professionals through educational scholarships, trainings and leadership development opportunities.

- Ten individuals were awarded scholarships to pursue associate and bachelor's degrees in early education.
- Area early care and education providers recorded more than 700 hours of training through workshops, events and sessions organized by United Way Success By 6.
- 33 individuals in leadership roles in early care and education settings participated in the 2025 United Way Success By 6 Directors' Symposium to increase their knowledge and skills.

Resources and training to empower parents and primary caregivers to be their child's best first teacher and prepare their children for kindergarten were made available in 2025.

- Raising Children with Conscious Discipline[®] sessions equipped parents, caregivers and child care providers with a better understanding of how to support the social and emotional development of children.
- Parent Educators from the St. Joseph School District delivered United Way Success By 6 Baby Bags to more than 800 families with newborns at Mosaic Life Care. The bags include guides to early development, information about local resources and a new children's book to help build each child's home library.
- Soon-to-be kindergarteners and their families were supported in their journey to be 'kindergarten ready' through United Way Destination: Kindergarten Resource Kits and United Way KinderClub. These efforts are designed to help families prepare their child for kindergarten. Area school districts offered United Way KinderClub with 206 families participating. Nearly 600 United Way Destination: Kindergarten Resource Kits reached families.

Throughout the year, United Way:

- facilitated local conversations about gaps in the early care and education system and how to address them;
- engaged with local, regional and statewide groups focused on early childhood issues;
- participated in local events such as Tiny Tot Town, Children's Fair and My Success Event; and
- organized opportunities for providers and those delivering programs aimed at families with young children to connect, share and collaborate.

Volunteer Center

Connecting the community through volunteerism since 2009.

United Way Volunteer Center is a central resource for volunteer needs across the Greater St. Joseph area. Individuals, groups and corporations seeking volunteer opportunities can find a variety of options calling for varying levels of commitment available at many different non-profit organizations.

In 2025, through the United Way Volunteer Center's online presence, 55 unique volunteer opportunities were shared by 16 local agencies.

Throughout the year, United Way Community Volunteer Resource Network (CVRN) meetings were attended by individuals who manage volunteers for local organizations. CVRN promotes and develops effective volunteer management programs in the community and enhances the knowledge, skills and connections among members.

The 17th year of United Way STUFF THE BUS! School Supplies Drive, sponsored by Mosaic Life Care, brought together more than 250 volunteers who collected nearly 24,000 school supply items. Collected supplies were distributed through The Salvation Army, United Way and to area schools.

The St. Joseph Mustangs and United Way Volunteer Center continued the United Way TEAM PLAYER Award program in 2025. The goal of the program is to highlight and celebrate the impact volunteers have in our community. The 2025 honorees included: Tonya Ball, Megan Burks, Brett Esely, Jenni Jimenez, Leslie Lotspeich, Paul Perez and Sherrie Poppa.

CRYSTAL CIRCLE MEMBERSHIP 2025

Crystal Circle members are leadership givers who contribute an annual gift of \$1,000 or more to the United Way Campaign. In addition, Crystal Circle donors whose annual gifts exceed \$10,000 become members of the Tocqueville Society, a category recognized by United Ways worldwide and named after French author Alexis de Tocqueville. He observed that Americans are quick to help people in need and he applauded our voluntary efforts for the common good.

In 1989, seventy supporters of United Way of Greater St. Joseph formed the first Crystal Circle. Current membership exceeds 570 households and constitutes nearly 50% of the United Way Campaign.

Members published in this directory pledged to the 2025/2026 United Way Campaign.

~Donors who made have planned gifts through United Way are members of the Legacy Society.~

CARING CONNECTION CREW

In 2025, United Way of Greater St. Joseph launched the Caring Connection Crew - a volunteer engagement pilot, creating hands-on opportunities for community members to give back and help others. This new initiative welcomed more than 700 volunteers throughout the year. Volunteers assembled Hygiene Kits, Outdoor Fun Kits, Fresh Start Kits and more that were distributed to and through agency partners.

One of the most impactful efforts was when Caring Connection Crew volunteers came together to address the gap created by the disruption of SNAP benefits in the fall of 2025. Through special financial support from Mosaic Life Care and the Mosaic Life Care Foundation, volunteers came together to address food insecurity in our community. Their collective efforts helped assemble more than 6,600 Meal Kits, providing support to local households during the holiday season.

The Caring Connection sessions strengthened volunteer engagement, deepened community partnerships, and made a tangible difference for families in need, demonstrating the power of collective action and compassion in Greater St. Joseph.

TOGETHER, WE GIVE HOPE.

Three simple ways to be part of the caring power of community.

GIVE.

You can give to United Way in a variety of ways:

- through payroll deduction at many workplaces
- by direct debit from a checking or savings account
- one-time or monthly through stjosephunitedway.org
- through Venmo @UnitedWayStJoe
- by mailing in a contribution

ADVOCATE.

United Way needs people who are passionate and willing to share their support. Whether face-to-face or over social media, let others know you are part of the caring power of community.

VOLUNTEER.

**Open your heart.
Lend your muscle.**

United Way Volunteer Center connects people who wish to volunteer with local opportunities.
