Call for Proposal
Early Learning Conference
October 11, 2025, 8:30 a.m. to 2:30 p.m.
St. Joseph, Missouri**

Child care providers are key components of our community's early childhood system, providing safe, nurturing care and education to our youngest citizens. Continuing education and training helps strengthen skills and relieves some of the stress that often goes along with caring for young children.

United Way Success By 6 is holding an early learning conference this fall and is looking for presenters to share their knowledge and wisdom. Do you have knowledge and experience to share on a topic of interest to child care providers? If yes, please consider sharing your wisdom!

Proposals for one-hour long breakout session presentations are being accepted through July 11, 2025. The committee will review and make selections based on a variety of factors including, but not limited to, community interest and need, expertise, conference balance and diversity in perspectives. Questions? Call or email Bobbie Cronk, 816.364.2381, bobbie.cronk@stjosephunitedway.org.
