

WHY UNITED WAY?

When you give to United Way, you're helping strengthen the entire community - one neighbor at a time.

- Community members determine how donations are distributed to meet local needs.
- Agencies receiving funds are held accountable for how they spend money and must show that they meet our community's needs.
- United Way works alongside agencies to coordinate services, minimize duplication and maximize available help.
- United Way brings businesses, nonprofits and caring community members together to meet current, emerging and unmet community needs.
