WHY GIVE THROUGH UNITED WAY?

- **Building opportunity for all.** Your gift helps create a community where every person has the opportunity to succeed.
- **Community-led. Volunteer-driven.** Community members give and community members decide how donations are distributed to address local needs.
- **Accountability and impact.** Funded agencies are required to demonstrate responsible use of resources and show how they are meeting community needs.
- **Collaboration that strengthens services.** United Way brings together nonprofits, businesses and caring individuals to coordinate support, reduce duplication and maximize help for current, emerging and unmet needs.

When you give to United Way of Greater St. Joseph, you are **POWERING POSSIBILITY** across Northwest Missouri and Northeast Kansas.
