

United Way Team PLAYER Award 2023

*Recognizing TEAM PLAYERS who make life better through volunteering.
Presented by United Way Volunteer Center & the St. Joseph Mustangs.*

What is the United Way TEAM PLAYER Award program?

The United Way TEAM PLAYER Award program is a partnership with the St. Joseph Mustangs to highlight and celebrate the impact volunteers have in our community. A team player is often defined as someone who cares about the success of the group more than their own and contributes to an effort by helping with tasks or projects. For nonprofits volunteers are often great team players and without them the organization's impact could be diminished. The United Way TEAM PLAYER Award is a recognition created to celebrate the volunteers within local organizations and to promote volunteerism.

How many people (or groups) will be recognized?

One volunteer, or volunteer group, will be recognized and celebrated at home Mustangs' games on Fridays during the 2023 Season.

How do I nominate someone?

Nonprofits and organizations that are connected to United Way Volunteer Center (as a Partner Agency or CVRN Participant) are invited to nominate their volunteers for this recognition. You can nominate as many people as you would like by [clicking here](#). Please complete one submission for each volunteer/group you are nominating.

How will the recipients be selected?

A committee will review all nominations (with names redacted) and will select recipients. Recipients will be contacted by United Way to confirm availability to attend the Mustangs game on the selected date and accept the recognition in person. United Way will notify nominators, as well. Please note: recipients must be present at the specified game to receive full recognition.

What will the recipient receive?

Each recipient will receive admission for themselves and one guest to the Mustangs game on the night they are being honored, they will be recognized on the field during the pregame festivities and presented a certificate and LIVE UNITED t-shirt.
